

Seminários

Abaixo encontram-se relacionados sugestões de temas para seminários. No final inclui uma lista das principais fontes onde podem ser encontrados artigos sobre os temas. Alguns temas acompanham uma sugestão de referências para servir como ponto de partida e outros estão também presentes nos livros sugeridos para a disciplina, principalmente no Muchnick.

Os temas estão sendo reservados por ordem de chegada dos pedidos. Os já ocupados estão anotados com os respectivos nomes dos alunos responsáveis pelo seminário.
